

# ROBERT ARIEL ADUCAL

AUTOCAD Draftsman

## PROFILE

A hardworking, kind and respectful man who has experience in the field of Drafting. Knowledgeable in Auto-cad, SketchUp, V-Ray, Lumion, In-design, Corel-Cad as well as Photoshop which are very important for this position. Mastered drafting skills and drawing skills in different genres. Always winner in many art competitions since Junior High School up until today. Drafting has become a big part of my life since the first year of college and I believe I can contribute a lot of things in your company.
